

## VOLUNTEER HELP NEEDED

Each school year there is much volunteer help needed in the areas listed below. However, during the year there are other areas in which we need help also: such as cutting and counting Box Top labels (which can be done at home). If you can help in any area, it will be greatly appreciated!

*If you can help, please complete the form below and return it with your other paperwork.*

**Room Mothers** (Elementary) - To work with and help the teachers prepare for the various class activities: such as parties, field trips, etc. Duties may include setting up for the activities, making sure refreshments come in as scheduled, help plan activities, and cleaning up after the activity.

**Parent Helper** (Elementary) - To assist the teacher in sorting papers, cutting, filing or other odd jobs that would help with the work load. Some things can be done at home.

**Elementary Recess** - Monitor recess one morning/afternoon a week.

**Sports Events** - To help with concessions or gate at soccer, volleyball or basketball; or volleyball line judge. Parents of players are expected to help but we would encourage others to help also. It takes many hands to operate a good sports program.

**Teachers Luncheon** - Twice during the year (fall & spring) we serve our teachers an appreciation luncheon. If you would be willing to help provide food for one of the luncheons, help serve and/or organize, please indicate below.
